Dedication

MRS. LOIS THOMPSON

"Teacher of the Year," Cherokee County

We, the RIDER STAFF of 1964, wish to dedicate our annual to Mrs. Lois Thompson.

Mrs. Thompson, who is an instructor of mathematics and supervisor of the cafeteria, has taught in our school for the past nine and a half years.

She has taught school twenty-six years. She is a graduate of Northeastern State College of Tahlequah and has an M.S. degree from Oklahoma State University, Stillwater.

Mrs. Thompson is an active member of the Order of Eastern Star and American Association of University Women.

Compliments of LIBERTY STATE BANK Tahlequah
"The friendly bank where you feel at home."

Annual King and Queen

Janetta McClure and Larry Slape, Seniors.

Compliments of DARI-BARN, 111 Spring Street, Tahlequah

Prince and Princess

James V. Rogers, CLERK
Leo Stinnett, MEMBER
Pitchford Thompson, SUPERINTENDENT
Not Pictured: Roy Cook, MEMBER

We, the RIDER STAFF, would like to thank the Board of Education for giving their time and services to further the cause of education in Hulbert School.

Mrs. Jerry L. Simmons
SECRETARY

Compliments of FIRST NATIONAL BANK Tahlequah

Superintendent's Message

Students,

The teachers in our public schools have taught you that work and study are the big factors in mastering your problems in your various courses. Each problem in your school work becomes a challenge and the problems are made easier by continual work and study. The background that you have obtained through out public schools will help you meet these problems in the future as a student or a citizen of any community.

May you always keep in mind, as you are challenged by your problems, the "American Way of Life" and a definite concern for your fellow man. A good attitude is directly responsible for a full and eventful life. The students of Hulbert School certainly have displayed a good attitude toward work and play. The 1963-64 Rider exemplifies this.

My best wishes to you - may your future be a fruitful one.

Sincerely yours,

Pitchford Thompson

NEW SCIENCE ROOM COMPLETED

Further modernization of the Hulbert Schools has been accomplished with the completion of a new science room construction and design.

The science room is 54 ft. long and 34 ft. wide and is constructed of block and brick. The floor is cement overlaid with a high grade of acid resistant asphalt tile. The drop-in ceiling is of acoustical tile, interlaced with recessed florescent lighting.

The room is arranged in such a manner as to take care of an above average size class in both the lecture area and the laboratory area. The laboratory area consists of 6 laboratory tables each equipped with running water, electricity, and gas. Each laboratory table will accommodate 4 students. Three auxiliary tables are arranged along the windows for oversize laboratory classes or other work.

The lecture area has an instructor's desk that measures 8 ft. by 2 1/2 ft. It is equipped with the same utilities as the student tables. The students have been provided with new seating in this area.

The building cost $20,000 and the new furniture and science equipment cost $12,000. The building was financed from surplus funds that had accumulated. The science equipment has been paid for through Title 3 Matching Funds from the Federal Government.

All the patrons of Hulbert School are cordially invited to a tour through the science room. We are very proud of the room and the equipment that we have to work with.

Compliments of LOUIE GRIFFIN

Backfield

Left to Right: Thomas Johnson, right halfback; Jimmy Carey, fullback; Bert Crittenden, quarterback; Ronnie Davis, left halfback.

Congratulations and best wishes go to the Senior High Football Team. When the football players walked off Colcord's football field, they held the TRI-COUNTY CONFERENCE CHAMPIONSHIP title. After the last game of the season, their season record stood at 8 wins and no losses. No school could have been prouder of their football team than Hulbert High was of theirs.

Hulbert entered its fourth season in football this year. All home games were played at night under new field lights. There was a big turn out of crowds to watch the skill and sportsmanship of the players and the coaching done by Mr. Crittenden and Mr. White. Out of the last three years of playing, the Riders have only lost 4 of their games.

Special recognition goes to Jimmy Carey, Bert Crittenden, Danny Jackson, Leon Richmond, and Claude Dell Teague, seniors. These boys made all conference this year.
